COMPANY INTRODUCTION

COMPANY INTRODUCTION

Techmicra IT Solutions based in Ahmedabad have been providing IT solutions & services to organizations since 2013 located at Office No 12. First Floor Sanidhya Building, Ashram Rd, opp. UCO Bank, Ellisbridge, Ahmedabad, Gujarat 380006

Contact Person: Pallav Mamtora
Contact No. 9727835207.

The company started with web development and design solutions during its inception phase and now has more than 25 departments like CRM development, Branding solutions, ERP implementation solutions, database administration & development, business intelligence and data analytics and more. With over 40 plus employees we are continually growing in each and every technology/domain. Extensive training and research programs for all our trainers and developers strengthen our grip and make us better in what we do.

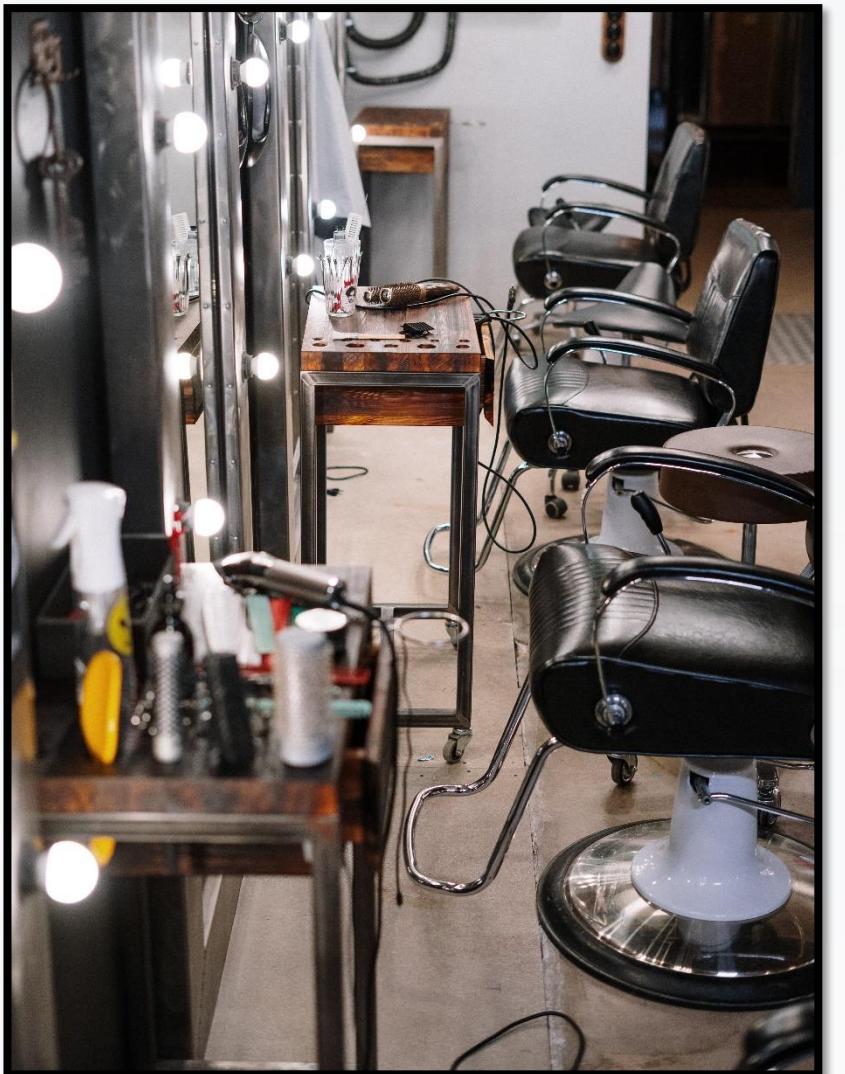

PROJECT DEFINITION

PROJECT DEFINITION

Tonsorium (Latin) is a location where a skilled barber offers services.

- Tonsorium Twits will be a web-based application which is used for the unisex Tonsorium.
- This system will manage the day-to-day tasks of the Tonsorium related to it's Admin, Customer and Staff Members.
- Customer can choose among multiple tonsoriums across City and manage Appointments online.
- Maintains the clients, offers, employees and accounts which include the bills, expenses etc.

EXISTING SYSTEM

EXISTING SYSTEM

- Currently there are web-apps available online such as:

<https://www.miosalon.com/>

<https://respark.in/>

<https://www.tonsorium.co.uk/>

- This all systems provide services to only single tonsoriums at a time.

PROPOSED SYSTEM

PROPOSED SYSTEM

- All existing systems provide services to only single Tonsorium.
- Our system provides platform to list down their Tonsorium's online on our platform and customer can choose Tonsorium's among multiple available options in their locations.
- They can Book, Schedule, Reschedule their appointments online with convenience from their homes to save their precious time.
- Also customer has option to choose Tonsoriums according to Ratings and Reviews in order to ensure that they get best services.
